**Clearance to Chinese FDI Proposals**

2048. SHRI RAJKUMAR DHOOT: Will the Minister of COMMERCE AND INDUSTRY be pleased to state:

(a) whether it is a fact that Government has cleared almost all Chinese FDI proposals;

(b) if so, the details thereof and those rejected; and

(c) its impact on indigenous industries?

THE MINISTER OF STATE IN THE DEPARTMENT OF INDUSTRIAL POLICY AND PROMOTION, MINISTRY OF COMMERCE AND INDUSTRY (SHRI ASHWANI KUMAR): (a) and (b) Foreign Direct Investment (FDI) policy is incorporated in the Foreign Exchange Management (Transfer or Issue of Security by a Person Resident Outside India) Regulations, 2000 under the Foreign Exchange Management Act. These Regulations indicate the countries from where investment is not permitted. There is not restriction on investment from China. Government has approved one proposal for FDI from China in Single Brand Retail Trade during January-December, 2007. Presently no proposal for FDI from China is pending before the Foreign Investment Promotion Board (FIPB).

(c) Government has put in place a liberal and transparent policy for FDI wherein FDI up to 100% under the automatic route is allowed in most of the sectors. Proposals requiring prior Government approval are considered by the FIPB, an inter-Ministerial body, taking into account concerns of all stakeholders.
